Written
 Testimony I am in support of this bill helping me to assist my small community to spay and
 neuter ferrel cats The bix fix has made it easy for me to participate and still go to work
 because they come to Haleiwa Last summer litters of kittens were born in a lot across
 from my home due to situation of the people that "camp" there. I have been doing what
 i can to Help yet it would be so much better if more could participate with programs
 that had less financial burden before it moves to a bigger issue . Thank you for
 consideration
